### 11.1 Appendix 1 – Qualtrics survey

#### Mission 1 - Organizing for the unexpected

---

##### Start of Block: SA scenario 1

B1 Please complete the questionnaire as instructed: We want your immediate reaction to the question or statement. You will not need any additional written material for answering. Since the answers to the questions are presented on a fixed scale, you might find it difficult to find the option that best represents your opinion. When reading the questions, try to remember the simulation you just participated in. You should choose answer options that represents the experiences you had in the simulation. It is important that you answer all the questions.

B1

Vennligst fullfør spørreskjemaet i henhold til instruksjonen: Vi ønsker din umiddelbare reaksjon til spørsmålet eller påstanden. Du vil ikke trenge noe ekstra skriftlige materiale for å besvare spørsmålene. Spørsmålene er basert på internasjonal forskning og spørsmålene er testet i forkant. Siden svarene på spørsmålene er presentert på en fast skala, kan det hende at du synes det er vanskelig å finne det alternativet som representerer din mening. Når du leser spørsmålene, forsøk å huske simuleringen du akkurat deltok i. Du skal velge svaralternativ som representerer de opplevelsene du hadde i simuleringen. Det er viktig at du besvarer alle spørsmålene.

---

B2 Please answer each question and choose the alternative that you think is most correct. Please do not look at the scenario, instructions or talk with other participants. You can ask the instructor if anything is unclear. Note that each question has only ONE correct answer!

B2 Vennligst besvar hvert spørsmål, og velg det alternative som du synes er riktigst. Vennligst ikke se på scenarioet, instruksjoner eller snakk med andre deltakere. Du kan spørre instruktøren om noe er uklart. Legg merke til at hvert spørsmål bare har ETT riktig svar!
